

Celebrating Our Roots: National Constitution Day 2025

On November 26th, 2025, our college came together to mark **National Constitution Day (Samvidhan Diwas)**, a day dedicated to honoring the foundational values of our democracy. Organised by the **Forum for Democracy and Social Justice of this college**, the event saw enthusiastic participation from students, faculty, and administrative staff alike.

A Day of Reflection and Pledge

The highlight of our observance was the participation of our institution in the nationwide **"Read the Preamble"** campaign at 11:00 AM. This collective act of reading served as a powerful testament to our commitment to the values of Justice, Liberty, Equality, and Fraternity.

The day's activities were kick-started following an insightful and informative narrative on the significance of the day given by **Ms. Tejal Yesudas (1st Sem MA Economics)**, who reminded us that this year 2025 marks the 76th anniversary of our Constitution's adoption. Her brilliant execution of the act set the tone for a day of learning and active participation.

Active Engagement Across Campus

Beyond the pledge, the college community actively engaged with national initiatives to strengthen constitutional literacy:

- **Digital Certification:** Most of students and staff members successfully accessed the official [Constitution75.com](https://www.constitution75.com) portal to participate in the pledge and download their digital certificates.
- **National Quiz Participation:** A large number of our students took part in the **"Hamara Samvidhan – Hamara Swabhiman"** online quiz hosted by MyGov, demonstrating their keen interest in the nation's democratic history.

Snapshots from the Day: A glimpse into the vibrant participation across our campus:

Our Principal, Faculty and staff lead the Preamble reading and students across various departments gathered to affirm their commitment to the Constitution.

A Note of Gratitude

The success of this year's Constitution Day is a result of the collective enthusiasm of our students and the support of our Principal, department HoDs, and staff. We thank everyone who contributed to the photographic record of the day, ensuring that these moments of national pride are documented for our official history. I have to specifically acknowledge the technical support given by Ms. Prinsha K. (III Semester MA Economics) in preparing the collage and other photographic records of the event.

Let us carry the spirit of the Preamble forward, not just in our words, but in our actions also, as we continue to strive for a more just and equitable society.
